Worship and Liturgy

This Sunday's Gospel we hear about how Jesus tells us how powerful faith is. How, if we have faith we can do anything we want to, even if at first it seems impossible.

What changes do you think you could make in our world?

Mr Dyson's Update

Learning looked really exciting on Wednesday in year 5. As I entered the hall in the afternoon, the children were engrossed in the session led by trainee doctors, who showed children a range of practical activities which they thoroughly enjoyed. All the children were motivated and excited. This is all part of our links with Widening Horizons and soon they will be visiting Princess Yachts for their next adventure.

Parents Evenings are happening soon. They will be on Tuesday 18th October and Wednesday 19th October. Sign-up forms will be available at the school office from Monday morning. Please come in and make an appointment.

I hate to mention parking and dogs! But... We are trying to create a school in which we are proud to be associated with, and I need your help with this. Our neighbours are very understanding on the whole, but please try not to park and block someone's driveway or home. And also - please DO NOT bring your dogs onto the school grounds.

There was a fantastic turn out for our PTA group last week. They have some really exciting things planned. I am grateful they have offered to support with the ticket cost for the pantomime, so please ensure your payments are in as soon as possible.

The company over the road from our school want our help. They are having their windows redecorated in November for a Christmas theme. All children have to do is design their window for them. They will select a winner to have their design on the front window. Please pass all entries to the school office with your child's first name and class on the back.
