Worship and Liturgy

God loves all people equally and invites everyone to share in his kingdom today! This Sunday's Gospel we hear about a dishonest manager and about how we cannot love God and money equally. God must come first

in our lives.

What small things are important to you and why?

What big things are important to you and why?

How can you be careful with all of them?

Mr Dyson's Update

Last Friday, we came together as a school to reflect on the news of the passing of Her Majesty, Queen Elisabeth. There is a Book of Condolences that the children and staff are contributing to. Please pop into the office if you would like to add your own thoughts.

I have been approached by a few parents this week offering to volunteer. This is BRILLIANT news. If you think you could offer any support, whether helping on a school trip, listening to children read etc please speak to the office staff, and they will let you know what we need from you.

Thank you to all the parents who came for the welcome meetings and to the teachers who led them. They were well attended and have allowed both parties to put faces to names!

We have started to develop some strong links with The Cathedral School whilst still maintaining our own identity. We thought it would be a nice idea to worship together for key masses during the year. The first joint mass will be at The Cathedral Church on 21st October to celebrate Harvest mass. Mr Davies will send out more information on this, and Holy Communion, in the coming weeks.

NUTS

We have some children in our school allergic to nuts and who could become very poorly if they come in contact with them. I would be very grateful if you could please refrain from putting nuts in your child's packed lunch box or having peanut butter sandwiches. Please come and see me if you would like to discuss this further.

Finally - scooters and bikes! It is great to see children scoot and cycle to school. Once they get to school, I am happy for them to scoot (not ride bikes) on the playground; however, there have been near misses as children scoot around the school grounds. The children have been told today that any scooters brought to school need to be dismantled and walked to the playground, where they can then continue to scoot safely. Please help us keep all of

Crew Member of the Week

1. Christian – Captain Cain for trying really hard in maths.
2. Poppy – Commander Kim for superb problem solving efforts in maths.
3. Edie and Stanley – Sailor Sam for perseverance in a new school
